

# SMALL ACTIONS MATTER

Recycling one can saves enough energy to **power a TV for 3 hours**.  
Each person creates over **4 pounds of trash a day**—that adds up fast!

Plastic can take over **400 years** to break down.

**Trees take 10–30 years to grow**, but one sheet of paper can be  
recycled in days.

**EVERY TIME YOU REDUCE, REUSE, OR RECYCLE, YOU HELP  
PROTECT THE PLANET. YOU'RE PART OF THE SOLUTION.**
